SUMMARY

Full Stack Developer with experience building scalable web applications and data-driven systems. Skilled in modern JavaScript frameworks, backend development, and data processing. Proven ability to improve system performance, automate workflows, and deliver end-to-end solutions in real-world environments.

TECHNICAL SKILLS

- **Languages:** JavaScript, Python, SQL
- **Frontend:** React.js, Next.js, Tailwind CSS
- **Backend:** Node.js, REST APIs
- **Databases:** MySQL, MongoDB, Firebase
- **Data & Analytics:** Pandas, NumPy, Scikit-learn, Data Cleaning, Web Scraping
- **Tools & Platforms:** Git, GitHub, Vercel, Hostinger

WORK EXPERIENCE

Indian Penpals' League - Freelance Full Stack Developer

November 2025 - Present

- Re-architected a legacy NGO website into a modern Next.js platform, improving performance, accessibility, and SEO visibility by 60%.
- Led complete project lifecycle including requirement gathering, UI redesign, development, and deployment.
- Implemented Git-based CI/CD workflows to streamline updates and version control.

Vidarthi Mitra - Python Development and Data Analyst Intern

Aug 2025 - Sep 2025

- Developed automated Python scraping pipelines using BeautifulSoup, reducing manual data collection time by 60%, and Pandas to clean, filter, and structure it, providing the team with highly accurate datasets.
- Designed structured data outputs compatible with application backend, enabling seamless analytics and reporting workflows.

PROJECTS

Maintenance System (Next.js, Tailwind CSS, NumPy, Scikit-learn, Cloudinary)

- Developed a maintenance management system incorporating a trained prediction model and an image classification AI to detect and categorize maintenance issues, reducing manual coordination by 40%.

Waste Management System (Next.js, TypeScript, Firebase, Google Gemini AI)

- Developed a community platform where users earn rewards for reporting local waste, helping authorities track and collect trash more efficiently in real-time

EDUCATION

- **Bachelor of Science in Information Technology - B.Sc. I.T.** 2023-2026
JaiHind College (8.94 CGPA)
- **High School** 2021-2023
RPS Public School (83.8%)
